PEOPLE EXPERIENCING HOMELESSNESS PUBLIC AND PRIVATE SPACES

Vulnerable or homeless people, including those sleeping rough, have the same right to be in public spaces as other community members. It is not illegal to beg or sleep rough.

The City of Armadale takes a compassionate approach to the issue of primary homelessness. If you are concerned for the welfare of a person sleeping rough, please phone City of Armadale on 9394 5000. A Ranger will respond and provide information and support.

Private property owners can ask those loitering, begging or sleeping rough to leave their premises. If this instruction is not followed or you are concerned about a person's behaviour, phone WA Police on 13 14 44 for assistance.
